INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1306]

Certain Barcode Scanners, Mobile Computers With Barcode Scanning Capabilities, Scan Engines, RFID Printers, Components Thereof, and Products Containing Same; Notice of a Commission Determination Not To Review an Initial Determination Terminating the Investigation Due to a Settlement Agreement; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (“Commission”) has determined not to review an initial determination (“ID”) (Order No. 14) issued by the presiding administrative law judge (“ALJ”) terminating the above-captioned investigation based on a settlement agreement. The investigation is hereby terminated.

FOR FURTHER INFORMATION CONTACT: Carl P. Bretscher, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2382. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 11, 2022, based on a complaint, as supplemented, filed by Zebra Technologies Corp. of Lincolnshire, Illinois and Symbol Technologies, LLC of Holtsville, New York (“Zebra”). 87 FR 14039–040 (March 11, 2022). The complaint, as

supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, sale for importation, or sale in the United States after importation of certain barcode scanners, mobile computers with barcode scanning capabilities, scan engines, RFID printers, components thereof, and products containing the same by reason of infringement of certain claims of U.S. Patent Nos. 7,498,942; 8,411,177; and 10,667,219. *Id.* The complaint further alleges that a domestic industry exists. *Id.*

The Commission’s notice of investigation named the following respondents: Honeywell International Inc. of Charlotte, North Carolina and Hand Held Products, Inc. of Charlotte, North Carolina (collectively, “Respondents”). The Office of Unfair Import Investigations is not participating as a party in this investigation.

On July 11, 2022, Zebra and Respondents jointly moved to terminate the investigation based on a settlement agreement.

On July 12, 2022, the presiding ALJ issued the subject ID (Order No. 14) granting the joint motion to terminate. The ID finds that, pursuant to Commission Rules 210.21(a), (b) (19 CFR 210.21(a), (b)), Zebra and Respondents represent that there are no other agreements, express or implied, oral or written, between them regarding the subject matter of this investigation. The ID further finds that termination is proper because it would not be contrary to the public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive conditions in the United States, or U.S. consumers. The ID further finds that termination is in the public interest, and it will conserve public and private resources.

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID. Accordingly, the investigation is hereby terminated.

The Commission vote for this determination took place on August 5, 2022.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: August 8, 2022.

Katherine Hiner,

Acting Secretary to the Commission.

[Investigation No. 337–TA–1311]

Certain Centrifuge Utility Platform and Falling Film Evaporator Systems and Components Thereof; Notice of a Commission Determination Not To Review an Initial Determination Amending the Notice of Investigation and Terminating the Investigation as to Respondent Rexford

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (“Commission”) has determined not to review an initial determination (“ID”) (Order No. 20) of the presiding administrative law judge (“ALJ”), amending the notice of investigation to properly reflect respondent Rexford Management, LLC’s (“Rexford”) name and then terminating the investigation as to Rexford based on withdrawal of the complaint.

FOR FURTHER INFORMATION CONTACT: Benjamin S. Richards, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708–5453. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 4, 2022. 87 FR 26372 (May 4, 2022). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain centrifuge utility platform and falling film evaporator systems and components thereof by

reason of infringement of claims 1, 10, and 14 of U.S. Patent No. 10,814,338; claims 1, 10, and 18 of U.S. Patent No. 11,014,098; and claims 1, 9, and 19 of U.S. Patent No. 10,899,728. *Id.* The complaint further alleged that a domestic industry exists. *Id.* The Commission's notice of investigation named fifteen respondents, including "Redford Management" of Los Angeles, CA. *Id.* at 26373. The Office of Unfair Import Investigations is also participating in the investigation. *Id.*

On July 7, 2022, complainant Apeks, LLC ("Apeks") moved to terminate the investigation as to Rexford based on withdrawal of the allegations in the complaint specific to Rexford. On July 19, 2022, the ALJ issued Order No. 20, the subject ID, granting Apeks's motion. The ID finds that Apeks's motion complies with the Commission's rules and that there are no extraordinary circumstances that would preclude termination of the investigation as to Rexford.

Separately, the ID explains that OUII and Rexford both noted that Rexford was incorrectly identified as "Redford Management" in the notice of institution of this investigation. To correct that error, the ID also finds that the notice of investigation should be amended to replace "Redford Management" with "Rexford Management, LLC."

No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The notice of institution of this investigation is amended to correctly identify Rexford by replacing "Redford Management" with "Rexford Management, LLC." Rexford is hereby terminated from this investigation.

The Commission vote for this determination took place on August 4, 2022.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

While temporary remote operating procedures are in place in response to COVID-19, the Office of the Secretary is not able to serve parties that have not retained counsel or otherwise provided a point of contact for electronic service. Accordingly, pursuant to Commission Rules 201.16(a) and 210.7(a)(1) (19 CFR 201.16(a), 210.7(a)(1)), the Commission orders that the Complainant(s) complete service for any party/parties without a method of electronic service noted on the attached Certificate of Service and

shall file proof of service on the Electronic Document Information System (EDIS).

By order of the Commission.

Issued: August 4, 2022.

Acting Secretary to the Commission.
